Year 9 Computing Homework Guide

All Computer homework is based on www.idea.org.uk and requires the completion of the allocated badges. You can find a copy of the badge schedule below. Remember completing your homework goes towards your iDEA qualification/certificate.

If you have difficulties logging in, there is "Forgot Password" button the login screen for www.idea.org.uk which if pressed will send you an email to your school to reset your password.

Password

If you find that a badge is not available or missing on iDEA please select any other badge to complete in its place.
