Lunch Time Activities

- The 'grab and go' style food from the Hub or a pack lunch is a more suitable option when you are attending a club.
- Food needs to be eaten in the Hub or Café.
- Go to the Forum at the start of lunch if you are attending a club.
- Go direct to your club; there should be no wandering around the building.
- Year 7 and 8 go to their zone after the club.
- Year 9, 10 and 11 go straight to their lesson.
- You need to attend the club for the full half-term for your club to count for the Character Award.
