Biddick
Academy

17th June 2021

Dear Parents and Carers,

I hope you are safe and well and enjoying your child's last few weeks in primary school.

We are really looking forward to welcoming you into the Biddick Academy community in September and can't wait to build relationships with you to help support you with your child's education.

I am excited to invite your child to attend Biddick Academy's Summer School which is taking place in the first week of the summer holidays, from 19th – 23rd July.

The summer school is a fantastic opportunity for your son/daughter to participate in many activities which will support them in being ready for their time at Biddick Academy. Each day your child will take part in a teambuilding workshop, one numeracy session, one literacy session and one personal development session. Furthermore, students will be taken on an exciting trip to Moor House Adventure Centre who provide outstanding high quality adventurous activities for students including archery, climbing and orienteering.

Amongst other things, the summer school is an invaluable opportunity for your son/daughter to work with the rest of their new year group and meet the staff here at Biddick Academy, ahead of starting the new chapter in their school life in September. Summer schools are an excellent way to reduce student anxiety with regards to starting secondary school and it is proven that students attending a summer school can make up to two months' additional academic progress.

Each day will start at 9am and finish at 3pm and all students will be provided with their lunch as well as a goodie bag which they are able to take away to with them. There will be a range of prizes that students are able to win over the course of the week for things such as attendance and contribution in the different sessions.

I hope that your son/daughter is able to make the most of this opportunity and attend our summer school. Please can you confirm your child's attendance by completing this short Microsoft Form or Google Form below. If you are unable to access either of the electronic forms, please email moore.g@biddickacademy.com with the following information to confirm your child's place:

"Inspiring learning, unlocking potential, achieving success"

1. Name of student
2. Student's date of birth
3. Parent/carer's name
4. Parent/carer's emergency contact information
5. Any medical conditions that we need to be aware of
6. Any dietary requirements that we need to be aware of
