

BIDDICK PARENT WEEKLY BULLETIN

Week starting 20th June 2022

Message from Miss Morris

Before the half-term holiday, we asked parents and carers to avoid parking in the central areas of the car park at drop-off and pick-up times, so that pupils did not have to walk through lines of moving traffic to reach their car. I would like to thank you for your support with this, it is now much safer for pupils leaving at the end of the day.

Although the designated drop-off bays are limited in space, I know that many families delay collecting their child until after 3:05pm, when the bus park is clear. Please remember that there are lots of clubs and extra-curricular activities taking place 3:00pm - 4:00pm every night, if you would like an even later collection time!

Thank you for your assistance in ensuring a safe environment for our pupils as they arrive and leave school.

Kind regards,

Miss K. Morris

Science Curriculum Reading Lists

- Last term we shared our Curriculum Reading Lists and some challenges for our students. Our next challenge is from the Science Faculty.
- Using the Reading List for your Key Stage, the Science Department challenge students to broaden their outlook and satisfy their natural quest for knowledge about the world we live in.
- The challenge is for students to read at least one book (fiction or non-fiction) from the Science Reading list and complete a Book Summary. For more information, please see the link the challenge below. If you have any questions, please contact Mr Gwilliam on gwilliam.a@biddickacademy.com <https://biddickacademy.com/wp-content/uploads/2022/06/Science-reading-challenge.pdf>

Biddick Academy School Clothing Scheme – Donate and Exchange

- If you have good quality pre-loved school uniform or supplies that you would like us to recycle, then please consider donating these to our School Clothing Scheme.
- You can drop any donations off at our Reception or arrange for your child to give them to their Form Tutor or Head of Year.
- If you would like to consider using the School Clothing Scheme, please contact our Deputy Headteacher Mrs Dickson at dickson.s@biddickacademy.com to see if we have the items and sizes you need.

Water Supplies

- During the summer term and warmer days, we recommend students bringing an additional water bottle for PE lessons and their own sun cream for outdoor lessons.
