- The academy trust must establish an audit and risk committee, appointed by the board:
  - Trusts with an annual income over £50 million must have a dedicated audit and risk committee.
  - Other trusts must either have a dedicated audit and risk committee or can combine it with another committee, such as finance [Resources].
- The board may also delegate functions to other committees. Each committee must contain a majority of trustees, but it may also include other people the board chooses to appoint.
