

We aim to provide our students with many opportunities to develop their learning outside of the classroom and Year 11 students should be attending an After School Learning session Tuesday – Thursday every week. To help prioritise their revision, maths, English and science revision classes are held on different nights and students will not be asked to attend other subjects on the same evening. Specific students are invited to attend English, maths and science sessions, but all students are welcome to attend. Due to the importance of additional tuition, we would very much appreciate your support in ensuring your child's attendance to invited sessions.

Monday	Tuesday	Wednesday	Thursday	Friday
