- Student voice conversations with Year 10 and Year 11 students have indicated that students would like some outside reading related to science topics
- Each week we are adding a link to a science related topic on Classcharts via the announcements for Year 9, 10 and 11 students
- Sometimes this involves a news article, a scientific paper or a podcast and in the future may cover an even wider range of sources

- Please check continue to check the announcements on classcharts for new reading
