

# **BIDDICK PARENT WEEKLY BULLETIN**

## Week starting 26th February 2024

Dear Parent/carer.

Recently we have seen an increase in the number of pupils bringing fizzy drinks to school. Whilst we understand the appeal of sugary drinks, we would like to remind parents and carers that **energy drinks and fizzy 'pop' are not allowed in school**.

Water remains the best and most effective way to keep our children hydrated. In fact energy drinks and fizzy pop can have a negative effect on pupils' concentration and health. All pupils are able to purchase flavoured water and juice from school if they wish to, or use the water coolers.

Thank you for your co-operation.

Miss Morris Headteacher
