

# BIDDICK PARENT WEEKLY BULLETIN

Week beginning 20<sup>th</sup> May 2024

## Year 7 and 8 End of Year Assessments

- After the May half-term holiday, your child will be assessed in English, maths and science subjects using GL Progress Tests.
- These assessments help us measure the progress your child has made over the course of the academic year and tell us what topics they need to work on.
- These assessments will all take place in the Watson Hall or in Support 21 (for students with concessions).
- The assessment timetable can be found below.
- Your child does not need worry about these assessments or do any revision or preparation to sit these assessments, all we ask is that they try their best.
- If you have any questions about these assessments, you are welcome to contact Mr J Knowles on [knowles.j@biddickacademy.com](mailto:knowles.j@biddickacademy.com).

## Year 11 Senior Prefects

- Details of how your child in Year 10 can apply to become a Year 11 Senior Prefect will be shared in next week's Student Notices and on ClassCharts.
- Senior Prefects are Biddick Academy's student leaders and act as inspirational role models for the whole school.
- Through the Senior Prefect leadership scheme, we offer a wide variety of opportunities for your child to both make a positive impact on the school and develop as a leader to help prepare them for their next steps once they leave Biddick Academy.
- If you feel like your child would be a suitable candidate and would benefit from this leadership scheme, please encourage and support them in their application where possible.

## Year 11 Booster Sessions

- Year 11 students have had a fantastic start to the examination season and have shown grit and determination to achieve their best.
- After May half term, booster sessions will continue to be in place to provide your child with targeted and subject specific revision immediately before their exams.
