

BIDDICK PARENT WEEKLY BULLETIN

Week beginning 10th June 2024

Year 7 and 8 End of Year Assessments

- Next week, your child will continue to be assessed in the core subjects using GL Progress Tests following a positive start this week.
- These assessments help us measure the progress your child has made over the course of the academic year and tell us what topics they need to work on.
- These assessments are all taking place in the Watson Hall or in Support 21 (for students with concessions).
- The assessment timetable can be found below.
- Please remember that your child does not need to do any revision or preparation to sit these assessments, all we ask is that they try their best.
