

# BIDDICK PARENT WEEKLY BULLETIN

Week beginning 24<sup>th</sup> June 2024

## Star Reading Assessments

- We have our termly scheduled Star Reading Assessments coming up for Accelerated Reader. These are for Years 7, 8 and 9.
- These are due to take place between **Monday 1st July till Friday 12th July**. These tests give students their current reading age and work out their book level. This means they can be guided to read books at an appropriate level of challenge.
- Can we please emphasise the importance of your child trying their best in these tests to achieve their potential.
- Students cannot revise for these tests but should ensure that they read the questions carefully and answer each question.
- We will share their results in the next reporting period so you can compare with earlier in the year.
- Should you have any questions please contact Mr C Brown at [brown.c@biddickacademy.com](mailto:brown.c@biddickacademy.com)

## Senior Prefects 2024-2025

- This week saw the appointment of a new student leadership team of 25 Senior Prefects.
- The Senior Prefect Celebration Event involved a discussion on leadership theory from Mr Knowles, the signing of the Senior Prefect Charter and the awarding of Senior Prefect ties.
- The Senior Prefects have consistently modelled high standards of behaviour, work ethic and attitudes to learning throughout their time at Biddick Academy. In their role, they will undertake various duties around the school, assist in whole-school events and consistently embody the values and ethos of the Academy whilst acting as role models for their peers.
- Interviews for next year's Head Student will take place on **Thursday 11th July**.
- Congratulations to all!
